FALL 2009

SPORTS PICTURE INFORMATION

The Fall Sports Season is Here!

We know that at times your student-athlete may not bring home our information on time. On our web site, www.lashellphoto.com, we have a section that is updated each time we schedule team & individual pictures with your school.

This way, you can be check for your team's picture date. Just go to our main page and click on sports teams!

Also available is a printable sports pix price form. You can also view some of our custom products.

Please instruct your student-athlete if there is anything such as a friend button or a special request that we need to know about, to tell us at picture time. Time will not allow us to view the form until we are back at the studio. If you have other questions feel free to contact us by e-mail off our site or giving us a call at 269-561-5178.

Please help us by having your student-athlete with the form filled out and ready to turn in on picture day. As usual, we will photograph your student-athlete even if they have forgotten their form. Turning in your form late adds work to everyone involved.

Late forms can be turned to the school office. ***Please note that turning in the form late will cause the pictures to arrive later than the other student-athletes on the team.*
